Homeless Response

PURPOSE

The City of Turlock recognizes the need for a compassionate response to homelessness through outreach, engagement, and linking services to our homeless residents.

The City of Turlock, in conjunction with numerous non-profit organizations, is focused on providing access to health care, mental health treatment, and housing services for our unsheltered homeless population.

The City's part-time Grant Writer will coordinate City services with Stanislaus County outreach teams and our local homeless non-profit organizations. These partnerships are incredibly important to establish supportive relationships with our homeless residents, provide supportive services, and help remove homeless residents off the streets and into supportive services and housing.

CITY OF TURLOCK BUDGET FY 23-24

Turlock Fire Department

PURPOSE

The mission of the Turlock Fire Department is to protect the lives and property of residents and visitors to our community. This is accomplished through a combination of life/safety code enforcement, public education, highly trained personnel, and top quality apparatus and equipment. We are continuously seeking ways to deliver efficient, high-quality and cost-effective services to members of our community.

PROGRAMS

The Turlock Fire Department's mission is to protect life, property, and the environment for our community. We provide excellent customer service during our response to fires, medical emergencies and other emergency incidents, as well as in our delivery of fire prevention and community education services. We provide 24-hour emergency response out of four fire stations. Our administrative team supports operations, training, EMS, and fire prevention services, and we receive administrative oversight from Modesto Fire Department. We strongly support collaboration with allied agencies and our regionalized-approach to fire service delivery offers opportunity to enhance service levels in a cost effective manner.

GOALS AND OBJECTIVES

Turlock Fire's stated goal is to "protect your quality of life with pride and compassion." To accomplish this objective the department strives to maintain excellent incident response times and to quickly, safely, and efficiently mitigate emergencies. We expect our firefighters to always be professional, capable, and compassionate when dealing with citizens on what may very well be their worst day. The department accomplishes its mission while being fiscally responsible to the city and the taxpayers. Our goals and objectives are stated below.

- In cooperation with our regional fire service partners, we are continuously exploring ways to collaborate, become more efficient, and deliver excellent customer service. Through our administrative contract with Modesto Fire Department we are pursuing cost-effective ways to make best use of our resources and improve existing Department programs.
- We are committed to delivering high-quality fire protection services while remaining fiscally responsible. We will pursue grants and other alternative funding sources to make best use of the City's financial resources.
- Utilizing best practices as recommended from the Citygate Associates Operational Assessment for Turlock Fire Department, we will explore opportunities to deliver improved services.

CITY OF TURLOCK BUDGET FY 23-24

Turlock Fire Department

GOALS AND OBJECTIVES (CONT.)

- Develop a comprehensive health and wellness program with consideration for comprehensive annual physicals, access to public safety behavioral health specialists, fitness, nutrition, and holistic wellness to maintain work-life balance.
- Coordinate with the Building and Engineering departments to plan and budget for repair, upgrade, and/or replacement of aging fire stations to meet modern fire service delivery needs. Consideration shall be given for compliance with current building and fire codes, seismic standards, ADA compliance, gender access and privacy, and best practices for firefighter health, safety, and wellness.
- Provide for organizational stability and operational effectiveness by filling of all vacant positions. We continue to explore new ways to make most effective use of our personnel to deliver essential services.
- Using national best practices and findings from the Citygate Fire Services Master Plan, implement a planned fleet replacement program which is best suited for Turlock Fire Department's apparatus use needs. Based upon our fire apparatus fleets' type of use, apparatus age, mileage, reliability, and repair/maintenance costs, our fire apparatus should be kept in service for a total of 15 years, serving ten years as a frontline apparatus and then placed into reserve status for five additional years.

CITY OF TURLOCK BUDGET FY 23-24

Planning Division

PURPOSE

The Planning Division has three principal responsibilities:

- Prepare, maintain and implement the City's General Plan, Specific Plans, Master Plans, and other types of plans
- Conduct environmental reviews of public and private projects under the California Environmental Quality Act (CEQA) and National Environmental Policy Act (NEPA)
- Administer the City's Zoning and Subdivision Ordinances including the review of land use, development, and subdivision projects for compliance with applicable policies, regulations, and standards

The Planning Division provides professional planning services and support to the City Council and Planning Commission and information on zoning and development matters to the public. The Division also provides technical support on a variety of planning and environmental studies for other departments within the City.

PROGRAMS

Most of the time and resources of the Planning Division are committed to reviewing and processing applications for various approvals and permits required by the Municipal Code or State law. To facilitate this process, the Planning Division manages a no-cost predevelopment process to give applicants early feedback on their projects and help them understand the process, time schedules, and costs. The Planning Division also prepares Specific Plans or Master Plans to plan areas proposed for annexation consistent with the City's Area-wide Planning Policy and works on General Plan and Code amendments and special studies to meet State requirements or at the direction of the City Council.

The Division handles most of the environmental review needs of the City and manages the annexation of new residential projects to Community Facilities District No. 2 (an additional tax to pay for services). Providing information to the public and other City staff is a significant part of the Planning Division's ongoing information program. Maintaining records, maps, and updating information is also a part of the Division's service to the public.

Planning permit fees are expected to pay approximately 18% of the cost of the Planning Division. The Division has also been awarded a grant for certain General Plan implementation actions such as the development a Neo-traditional neighborhood overlay zone, Graduated Density standards, and an update to the second dwelling unit Ordinance and will be applying for a grant to help fund the upcoming Housing Element update. The balance is paid for by the City's General Fund.

CITY OF TURLOCK BUDGET FY 23-24

Planning Division

CITY OF TURLOCK BUDGET FY 23-24

Fund 111 - General Fund Reserve

PURPOSE

This fund was established in 1992 to provide a contingency fund for economic cycle fluctuations that affect City revenue generation; to secure greater stability in multi-year municipal financing; and to safeguard the public welfare and interest to provide continued service delivery to the Turlock residents. The City's 2011-2013 Strategic Plan continues to emphasize Fiscal Responsibility as one of seven specific Policy Initiatives.

The General Fund Reserve account shall only be used for purposes specified in the Municipal Code and requires approval by a four-fifths (4/5ths) vote of the City Council.

We have met the minimum deposit amount established by Ordinance 781-CS of 7% of the General Fund budget. Resolution 2011-123 establishes and approves the General Fund Emergency/Contingency Reserve at \$6.5 million for the fiscal year ending June 30, 2011 and hereafter unless amended by Resolution. The General Fund reserve is set at the greater of \$6.5 million set by Resolution 2011-123 or 7% of the General Fund budget set by Ordinance 781-CS.

CITY OF TURLOCK BUDGET FY 23-24

Fund 117 - Cannabis

PURPOSE

The City of Turlock established a separate fund to track Cannabis revenue and expenses commencing in FY 20-21 and all subsequent fiscal years. On June 11, 2019, the City adopted Ordinance No. 1255-CS amending the Turlock Municipal Code Title 5, Chapter 5-21, to establish a commercial cannabis pilot program to allow all cannabis businesses permitted by state law. On January 14, 2020, Resolution No. 2020-003 was adopted by Council, approving a policy on the use of cannabis derived public benefit revenues from development agreements.

Currently, there are two dispensaries conducting business in the City of Turlock since FY 20-21 and continue to conduct business into FY 23-24. Revenue consists of a public benefit amount of 5.25% of gross sales with a monthly minimum of \$40,000 for the period of August 1, 2023 through August 1, 2024, as well as sales tax generated from cannabis sales.

CITY OF TURLOCK BUDGET FY 23-24

Fund 118 - Measure A

PURPOSE

The City of Turlock established a separate fund to track revenues derived from the passage of Measure A approved by voters on November 3, 2020, to take effect April 1, 2021. Measure A is a local three-quarter (3/4) cent transaction (sales) and use tax for general City revenue purposes, to remain in effect until the voters amend or repeal it, to be collected and administered by the California Department of Tax and Fee Administration (CDTFA).

On July 6, 2020, the Turlock Municipal Code Title 3, chapter 3-11, was amended by Ordinance No. 1281-CS. Measure A contains tough fiscal accountability provisions including annual independent financial audits, citizen oversight, and public disclosure of spending to ensure funds are used efficiently, effectively, and as promised.

For FY 23-24, the City is projecting sales tax revenues of \$14.913 million dollars generated from Measure A, of which 50% (\$7.456 million dollars) is allocated for Non-Roads expenses, such as public safety.

CITY OF TURLOCK BUDGET FY 23-24

Fund 119 - American Rescue Plan Act (ARPA)

PURPOSE

On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Funds, which together make up the Coronavirus State and Local Fiscal Recovery Funds ("SLFRF") program. This program is intended to provide support to State, territorial, local, and Tribal governments in responding to economic and public health impacts of COVID-19 and in their efforts to contain impacts on their communities, residents, and businesses.

Congress has allocated \$350 billion in Coronavirus State Fiscal Recovery Funds for state, local, territorial, and Tribal governments, marking the first time in history funding has been allocated directly to local governments from the Federal government.

The City of Turlock has been allocated \$15,753,190 to come directly from the U.S. Department of Treasury. The City of Turlock has until December 31, 2024 to obligate the funds and until December 31, 2026 to fully expend the funds for eligible costs as summarized in the Final Rule dated January 27, 2022.

The City of Turlock received the first tranche of \$7,867,595 in July of 2021 and second tranche of \$7,867,595 in July of 2022.

CITY OF TURLOCK BUDGET FY 23-24

Fund 231 - Community Facilities District #2

PURPOSE

The Turlock Community Facilities District No. 2 (Services Mitigation) was formed in October, 2004 under the terms of the Mello-Roos Community Facilities Act of 1982. The District was formed in an effort to mitigate the effect new development was projected to have on existing General Fund funded city services - specifically public safety and park maintenance services. Any new residential development which does not already have entitlements based on existing zoning is required to annex to CFD No. 2 as a condition of development. The maximum annual special assessment for a single family residential unit is stated in the implementing resolution (Resolution No. 2004-220).

The FY 06-07 was the first year a special assessment for CFD No. 2 was placed on the tax roll. Residential units within the boundaries of CFD No. 2 become taxable units after they receive their final building inspection. July 1 of each year is used as the cut off date for placing a parcel on the tax roll. The maximum annual assessment for a single family residential unit is \$400 for the first three years of the District (first year is FY 05-06), \$500 for the next three years, and \$600 for the following three years. Starting in year 10 (fiscal year 2014-15) of the CFD, the \$600 annual assessment will increase by 2% per year, compounded annually. For the FY 23-24, the annual amount assessed per parcel is \$716 for single family residences and \$561 for multi family residences.

PROGRAMS

The "Final Hearing Report" for CFD #2 contains per residential unit costs associated with providing police, fire and parks maintenance services. These per unit costs are being used as the basis for the allocation of revenues received.

The budget includes transfers to the General Fund departmental budgets for Police, Fire and Park Maintenance to offset the effects development has had on their operating budgets.

CITY OF TURLOCK BUDGET FY 23-24

Fund 621 - Successor Agency - Non LMI

PURPOSE

The Turlock Redevelopment Agency was first activated in 1993 and amended in 1996. The total area covered just over 4,300 acres in the City of Turlock. The Agency's primary mission was to eliminate blight within the designated project area as well as promote economic development, help provide essential public facilities, and reconstruct and rehabilitate blighted properties. The general goals and objectives of the Agency were set forth in the Agency's Five-year Implementation Plan.

Funds 621 and 625 reflect the changes necessary with the implementation of AB 1X 26 which dissolved redevelopment agencies in California. No new projects or additional tax increment is reflected. The legislation provides for a maximum of \$250,000 for staffing purposes for the Successor Agency to carry-out the basic requirements of AB 1X 26 to wind down the previously existing Turlock Redevelopment Agency, implement and complete existing legal contracts and projects, and dispose of any properties held by the Agency.

The primary tasks that will be carried out include actions necessary to make outstanding bond payments and pay other enforceable obligations of the Successor Agency.

In November 2016 the Successor Agency issued refunding bonds to refinance the outstanding portion of the 1999, 2006 and 2011 Bonds which were secured with tax increment revenue by the former Redevelopment Agency.

CITY OF TURLOCK BUDGET FY 23-24

Fund 705 - Northwest Triangle Mello-Roos Assessment

PURPOSE

The NW Triangle Mello-Roos Assessment District was established to account for the special assessment revenues assessed on properties within the District. These revenues are used to make annual principal and interest payments on the bonds issued to finance the infrastructure improvements within the District.

The infrastructure improvements included improving the Highway 99/Monte Vista Avenue Interchange, widening Monte Vista Avenue in the area surrounding the Monte Vista Shopping Center, construction of Countryside Drive through the Monte Vista Shopping Center, and realigning Tegner road south of Monte Vista Avenue. In addition, various water, wastewater and storm drainage system improvements were installed to service the commercial properties within the District's boundaries.

When the district was formed, a maximum annual assessment per parcel was established. The actual amount assessed for the past four fiscal years has been approximately 85% of the maximum. The annual assessment will continue until the underlying bonds are fully retired or until fiscal year 2030-31, whichever comes first.

In addition to funding the debt service as described above, the annual assessment also pays for the annual reporting requirements and incidental administrative expenses of the district.

CITY OF TURLOCK BUDGET FY 23-24

Fund 706 - Property and Business Improvement District #3

PURPOSE

In July 2013, sufficient votes were cast from downtown property owners in favor of renewing the Property and Business Improvement District and establishing PBID #3 in downtown Turlock for a ten year period. The monies raised through the assessments provides for maintenance, events and promotion, special projects and district management.

Stanislaus County sends the assessments collected to the City of Turlock. City Staff remits this to the Turlock Downtown and Property Owner's Association.

The Maintenance Obligations of the Turlock Downtown Property and Business Improvement District Management Plan details annual contributions to a Parking Lot Fund for the slurry seal and striping of the City owned parking lots located within the PBID every five to seven years. That Parking Lot Fund is reflected in the reserve balance for Fund 706.

PUBLIC WORKS DEPARTMENT

PURPOSE

The Public Works Department oversees the city's critical infrastructure and provides a wide variety of engineering services, maintenance operations, recreation and transit services for the citizens of Turlock. The department's main objectives are to provide effective leadership and promote positive economic impact.

PROGRAMS

Engineering (Capital Improvements) - Responsible for the design, oversight and construction of a wide range of capital improvement projects to support the City's infrastructure including: public parks, buildings, roadways or aspects of the water, sewer or storm drain facilities. In addition, this program area also ensures that the environmental, financial and timing programs are met for the various managed state and federal aid infrastructure grants.

Engineering (Land Development) - Responsible for the review of projects submitted by private development for public infrastructure and improvements. This program is an integral part of the interdepartmental development team who also oversees the encroachment and grading permit process as well as public works inspection services. This program is also responsible for the survey and mapping functions as well as the various impact fee programs to mitigate the costs and impacts associated with new development.

Engineering (Traffic and Transportation) - Responsible for the planning and implementation of the orderly and safe multimodal traffic movement throughout the City. Traffic engineering provides oversight in the enhancement of roadways and intersections to improve safety and efficiency, conducts studies, implements traffic signal timing and seeks grant funding for traffic safety improvements. Currently, there are no assigned staff to this program area.

Transit - Responsible for providing safe and reliable local public transit service under the brand "Turlock Transit," to include seven fixed routes, ADA paratransit and On-Demand services, as well as the operation of the Roger K. Fall Transit Center. Turlock Transit focuses on local transit needs while coordinating with regional transit agencies to promote and improve regional mobility.

Maintenance – Responsible for providing safe and well-maintained parks, public facilities, streets, sports complexes and assessment areas. Programs under this division include the annual Arbor Day celebration, Adopt-A-Park and Go Green Week Tree Planting.

Recreation - Invests in the quality of life by building social infrastructure and enhancing economic development. Families and individuals of all ages have the opportunity to enhance their lives by participating in programs such as: sports activities, community events, arts, social/educational activities, and a wide range of enrichment classes. The Recreation Division also coordinates and implements programs for the Police Activities League (PAL), as well as acts as the liaison to the Turlock City Parks, Arts and Recreation Commission.

CITY OF TURLOCK BUDGET FY 23-24

Fund 215 Federal Street Funding Program

PURPOSE

For more than fifty years, the Federal Highway Administration has provided funds to build and maintain certain "collector" and "arterial" streets within local jurisdictions. An early rationale was that roads were an important means of bringing the nation together, linking interior agricultural markets with manufacturing and trade. In 1956 the Federal Highway Trust Fund was created which increased the federal tax on motor fuels and ordered the government to deposit revenues from the motor fuel and other federal taxes on highway users into the trust fund.

These federal funds are apportioned to the states and down through to the counties and cities.

In Stanislaus County, the Stanislaus Council of Governments (StanCOG) apportions the federal funds through a number of grant programs. California, and thereby the City of Turlock, is subject to federal laws and regulations regarding their distribution. Provisions of the federal-aid program are codified in Title 23 of the U.S. Code. It contains about 60 sections that establish the program, spell out the policy objectives, and specify the rules for distributing federal aid. The program guidelines outline to local jurisdictions the kinds of highway projects which are eligible for specific categories of federal aid, as well as dictate requirements for local jurisdictions to provide the local government match. In addition, these requirements are intended to advance social objectives unrelated to transportation such as environmental and employment goals. Of course, jurisdictions do not have to accept federal money for highways and the restrictions that come with it.

Since the federal programs provide such a significant source of transportation funds, it would be difficult for Turlock or any local jurisdiction to choose not to participate.

In general, the federal-aid highway program requires the City of Turlock to match federal funding. The federal share for most types of projects is 88.53% but can be significantly larger based on the various requirements of individual projects. The majority of the matching funds are provided by State 2103 Funds and City Capital Facility Fees, but can be provided by other sources depending on the nature of the project.

PROGRAMS

Regional Surface Transportation Program (RSTP)

Funds are directed to projects and programs for a broad variety of streets and road work. Typical projects that qualify to be funded under this federal program are roadway surfacing and reconstruction. The following projects have received or will receive RSTP funds:

CITY OF TURLOCK BUDGET FY 23-24

Fund 216 Local Transportation Fund (LTF) for Streets and Roads

PURPOSE

The Transportation Development Act (TDA) is a local jurisdiction's ticket to funding for public transportation. The TDA provides a State funding source for use by local jurisdictions at the county level to improve existing public transportation and encourage regional public transportation coordination. It also provides some funding for bicycle and pedestrian projects. Historically, traffic engineering functions were paid for out of TDA funds; however, TDA funds can no longer be used for local streets and roads functions. This budget includes transfers in from SB-1 (Fund 219) to continue those functions.

PROGRAMS

Street and road projects eligible for Local Transportation Funds include those that are necessary or convenient to the development, construction, and maintenance of the City's street network, including planning, acquisition of real property, and construction.

GOALS AND OBJECTIVES

- Local program projects to protect and enhance the service level of the transportation system.
- Fund projects to preserve, maintain and enhance the existing transportation system and increase efficiency of the existing system by emphasizing transportation system management techniques.
- Fund projects to design and maintain transportation facilities to be compatible with adjacent land uses.
- Provide funding to plan, develop, and implement a transportation system that enhances the livability of our residential neighborhoods.
- Provide funding to plan, develop and implement a transportation system that protects and enhances air and water quality, protects and enhances scenic routes and vistas, and minimizes noise impacts on residential areas.
- Provide funding to cover power and maintenance costs associated with the City's traffic signal system. In addition, this fund covers power costs associated with non-assessment district street lights.
- Match funding for a number of various federally funded street projects.

CITY OF TURLOCK BUDGET FY 23-24

Fund 115 - Measure A Roads

PURPOSE

The Turlock City Council approved the usage of 50% of Measure A sales tax revenue be utilized for Roads within the city limits of the City of Turlock. The City of Turlock established a separate fund to track the activities related to the Roads Program.

In Spring of 2021, Mayor Bublak announced the Roads Program Initiative with the following goals:

- Increase the funding for road rehabilitation projects
- Prepare more shovel ready projects
- Explore expedited project delivery
- Rehabilitate all roads in the City within 5 years

The City has since procured the services of a consulting firm to evaluate the existing infrastructure, collect data by means of LiDAR, laser and optical methods (LCMS), update the StreetSaver data, perform budget analyses and maintenance/rehabilitation needs assessment, and conduct public meetings and workshops with the City Council to develop a 5-year Roads Program CIP. The consulting firm is also designing the rehabilitation of fifteen (15) streets throughout the City with construction to take place in FY 2023-24.

For FY 23-24, the City is projecting sales tax revenues of \$14.913 million dollars generated from Measure A, of which 50% (\$7.456 million dollars) is allocated for Roads projects.

Fund 230 Northwest Triangle Specific Plan Area Fees

PURPOSE

The purpose of this fund is to provide a revenue stream from the development community within the Northwest Triangle Specific Plan area for the construction of public infrastructure intended to mitigate Sewer and Water impacts.

PROGRAMS

This program collects fees from developers at the time of building permit issuance and is intended to mitigate the impacts associated with growth within the Northwest Triangle Specific Plan (NWTSP) area. Specifically, this fee has two main components. The sewer component provides for necessary improvements for the full build out of the NWTSP. The water component provides for necessary improvements for the full build out of the NWTSP. All the public facilities were master planned and a fee was assessed to the NWTSP area based on business use and zoning.

Fund 245 Development Benefit Assessment

PURPOSE

The purpose of this fund is to provide a revenue stream from the development community for improvements that are necessary for the build-out of an area of town when the improvements are not part of a city wide, specific plan or master plan fee program.

PROGRAMS

This program collects fees from developers at the time of building permit issuance or map application to cover costs associated with needed improvements within a small radius of the proposed area. Staff determines the need for the improvement and sets up a district to pay for the improvement on a gross acre basis. Examples of this program are the installation of a traffic signal, sewer lift station or storm pond, each of which are not part of an existing fee program.

GOALS AND OBJECTIVES

- Reimburse developers for installed improvements as funds come available.
- Review development and create new districts if needed.

CITY OF TURLOCK BUDGET FY 23-24

Fund 247 Downtown Assessment

PURPOSE

This fund accounted for the activity of the original Property and Business Improvement District (PBID) which was active for five years beginning with the first assessment collections in Fiscal Year 1998-99. This District was the successor to a Downtown Parking District and has now been superseded by Fund 706 - PBID #3.

Fund 247 is being kept open for two reasons: (1) the County continues to remit assessment revenues collected from property owners who paid their annual assessment late, and (2) to track the unexpended funds which are to be used to resurface, reseal and/or restripe the five downtown parking lots which were part of the original parking district.

CITY OF TURLOCK BUDGET FY 23-24

Fund 269 Parks & Public Facilities

Grants

PURPOSE

The Public Works Department regularly applies for State and Federal grant funding to make improvements to parks and public buildings. This is fiscally responsible and helps support municipal infrastructure.

GOALS AND OBJECTIVES

- Apply for Federal, State, and local grant funds for the older parks that do not receive Park Development Fees.
- Partner with other City departments to access grant programs such as CDBG and HUD.
- Focus on identifying grant opportunities that provide funding for water conservation projects.

The Sewer component provides for necessary improvements for the full build out of the NTMP. The Storm Drain component provides for necessary improvements for the full build out of the NTMP. All the public facilities were master planned and a fee was attributed to the NTMP area based on location, business use, and zoning.

Fund 307 Northeast Master Plan Area Fees

PURPOSE

The purpose of this fund is to provide a revenue stream from the development community within the Northeast Turlock Master Plan area (approximately 255 acres) for the construction of public infrastructure with the intention of sharing costs of backbone infrastructure associated with transportation, sewer, water, and storm drains.

PROGRAMS

This program collects fees from developers at the time of building permit issuance and is intended to share the cost of backbone infrastructure within the Northeast Turlock Master Plan (NETMP) area. Specifically, this fee has four main components. The Transportation component provides for roadway improvements within the plan area. The Sewer component provides for necessary improvements for the full build out of the NETMP. The Water component provides for necessary improvements for the full build out of the NETMP. The Storm Drain component provides for necessary improvements for the full build out of the NETMP. All the public facilities were master planned and a fee was attributed to the NETMP area based on location, business use, and zoning.

GOALS AND OBJECTIVES

- Monitor the construction of master plan improvements currently conditioned to be completed by subdivisions in construction.
- Continue to make reimbursements to developers for master planned improvements conditioned to be completed by subdivisions in construction.
- Make other improvements as funding comes available.

Note: Timing on further infrastructure and reimbursement to developers are dependent on actual development.

CITY OF TURLOCK BUDGET FY 23-24

Fund 308 Turlock Regional Industrial

PURPOSE

The purpose of this fund is to provide a revenue stream from the development community within the Turlock Regional Industrial Park area (approximately 2,600 acres) for the construction of public infrastructure with the intention of sharing costs of backbone infrastructure associated with sewer and water.

PROGRAMS

This program collects fees from developers at the time of building permit issuance and is intended to share the cost of backbone infrastructure within the Turlock Regional Industrial Park area. Specifically, this fee has two main components. The Sewer component provides for necessary improvements for the full build out of the area. The Water component provides for necessary improvements for the full build out of the area. All the public facilities were master planned and a fee was attributed to the area based on location, business use, and zoning.

GOALS AND OBJECTIVES

- Continue construction of improvements as funding is available with emphasis on developing shovel ready sites south of West Main Street.

Note: Timing on further infrastructure and reimbursement to developers are dependent on actual development.

CITY OF TURLOCK BUDGET FY 22-23

Fund 401 Airport

PURPOSE

The City of Turlock as owner and sponsor of the Turlock Municipal Airport receives grant funds from the State of California Caltrans Division of Avionics as well as the Federal Aviation Administration as an airport improvement entitlement jurisdiction. In addition, the City competes for grant funds related to capital improvement projects at the Airport. The airport is located eight miles out East Avenue and is a General Aviation classified airport. There are currently fifty-five fixed wing aircrafts based at the airport. The day-to-day operations of the airport are provided under contract with the Turlock Regional Aviation Association (TRAA).

The TRAA is a non-profit organization of local aviation enthusiasts and airport supporters. The City assists the TRAA by facilitating the expenditures and reporting of grant funds and in assuring that all federal grant assurances are met. In addition, other City program areas, such as Engineering, provide capital project assistance as new improvement projects are constructed. TRAA is actively working to implement revenue generating strategies at the airport to offset maintenance expenses and provide grant match funds for future projects. Examples of these strategies are leased storage space and an agricultural lease of non-aviation areas at the airport.

CITY OF TURLOCK BUDGET FY 23-24

Fund 426 Transit

PURPOSE

Transit links the community to work, shopping, and play. Turlock Transit provides readily accessible transit service by building public support and increasing awareness of how public bus transportation improves our quality of life. Turlock Transit offers transportation to key destinations such as Stanislaus State, Amazon Fulfillment Center, Emanuel Hospital, County Library, schools, businesses, and shopping centers as we strive to provide congestion relief, cleaner air, and economic development, all in comfort and safety.

PROGRAMS

The City provides three modes of service and supports two multi-modal transit stations:

The Fixed Route service operates Monday-Friday from 6:00 a.m. to 9:00 p.m., and Saturday from 9:00 a.m. to 7:00 p.m. There are seven fixed routes offering bus service to most of the City operating every 30 min. (morning and evening) or 35 min. (midday). All fixed route vehicles are equipped with accessible lifts or ramps to assist individuals with mobility challenges and those unable to negotiate the steps to enter the bus.

The ADA Paratransit services operates Monday-Friday from 6:00 a.m. to 9:00 p.m., and Saturday from 9:00 a.m. to 7:00 p.m. This system operates within the City of Turlock. Reservations are required for all trips. Riders must make their reservation at least one day in advance. Eligible riders are those with ADA eligibility (through MOVE Stanislaus) that live within three quarters of a mile of a fixed route.

The On-Demand service operates Monday-Friday from 6:00 a.m. to 9:00 p.m. and Saturday from 9:00 a.m. to 7:00 p.m. and is open to the general public. Passengers in Denair and Turlock can book on-demand, shared trips to any location within Denair and Turlock.

The City provides support for ongoing maintenance, security, and operations at the Roger K. Fall Transit Center, the hub of transit operations and central transfer point in Turlock to other regional transit providers. City transit staff and contracted operations and management staff have offices in this Center. The City also provides basic utility and maintenance support services for the Turlock-Denair Amtrak Station.

GOALS AND OBJECTIVES

- Provide a transit service that is financially and operationally sustainable.
- Raise the bar of excellence in providing service to all users.
- Use innovative approaches to attracting riders and enhancing service.
- Promote viable service options for individuals with disabilities.
- Promote multi-modal mobility and reduce barriers to regional travel.

CITY OF TURLOCK BUDGET FY 23-24

Fund 502 Engineering

PURPOSE

The purpose of the Engineering Division is to provide professional engineering design, surveying, and project management for capital improvement projects; ensure compliance to all City standards for all public improvements; ensure compliance to all improvement plan requirements for all on-site improvements; ensure compliance of all lot line adjustments, lot mergers, parcel maps, and subdivision maps with the Subdivision Map Act requirements; impose conditions to mitigate development impacts on the public infrastructure; and develop and update various development impact fees to insure new development mitigates its impact on the City's infrastructure.

PROGRAMS

The roads program provides project management of roads projects primarily funded by Measure A with the goal of improving the condition of the City's existing roadways not maintained in assessment districts. Staff oversees the development and implementation of the roads program CIP, manages outside consultants and reviews bid proposals related to roads program projects.

The capital improvement program provides for the installation of public infrastructure for various City of Turlock Departments. With funding provided by these departments, the Engineering Program provides topographic survey collection, improvement plan preparation/design, right of way and easements acquisition, project management, construction staking, and construction inspection. In addition, staff prepares all Caltrans and StanCog documents necessary for the appropriation, design, and construction funding obligation and final reports for all Federal and State grant funding. Through this process, staff is able to secure Congestion Mitigation and Air Quality (CMAQ), Surface Transportation Program (STP), Active Transportation Program (ATP), and Highway Safety Improvement Program (HSIP) grant funding for use within the City.

The inspection program provides assurances that all public improvements installed by the City or by development meet or exceed the standards set forth in the City of Turlock Standard Specifications and Drawings. In addition, through the grading permit process, the inspection staff reviews on-site improvements for conformance with the approved improvement plans. Lastly, staff coordinates with other divisions as to specialized testing needs. Specifically, staff coordinates the TV inspection on sewer and storm lines as well as the bacteriological testing of water lines.

PROGRAMS (cont.)

The development program provides for the review of all proposed development activity within the City. With funding provided by developers through fees, the Engineering Program reviews proposed development, imposes conditions, processes lot line adjustments, lot mergers, parcel maps, and subdivision maps. In addition, staff reviews/approves improvement plans and issues grading and encroachment permits. Staff also forms the City's Maintenance District for each development and reviews each building permit application and prepares/calculates impact fees based on use and zoning. The Engineering Program is also charged with the responsibility to create, implement, and update various fee programs. Specifically, the Engineering Program provides program management and oversight for the Capital Facilities Fee, Northwest Triangle Specific Plan, North Turlock Master Plan, Northeast Turlock Master Plan, East Tuolumne Master Plan, Turlock Regional Industrial Specific Plan, and Master Storm Drainage programs.

GOALS AND OBJECTIVES

- Continue to provide professional engineering design, project management and
- Continue to review and impose conditions on new development to ensure that the
- Ensure all new construction meets or exceeds the City of Turlock Standard Specifications and Drawings.
- Monitor and impose all development impact fees on new construction.
- Administer the Roads Program and oversee the development and implementation of the roads CIP.

CITY OF TURLOCK BUDGET FY 23-24

Fund 405 Building & Safety Division

PURPOSE

The purpose of the Building and Safety Division is to protect the public health and safety through the effective administration of California's Model Building Codes and the City of Turlock's Municipal Code. This is accomplished through the building permit process, which requires:

- 1) Building plans to be reviewed for compliance with the model and municipal codes
- 2) A permit to build
- 3) Construction that is inspected to ensure compliance with the Code(s) and approved plans

PROGRAMS

The primary function of the Building and Safety Division Program is reviewing plans for code compliance and inspecting buildings during construction phases. In addition, the Building and Safety Division partners with the Fire Department and Neighborhood Services Division to reduce safety hazards on existing buildings and responds to complaints concerning substandard and dangerous buildings. Additionally, we provide paraprofessional and technical assistance at the public counter in response to our various customer service needs. The Building and Safety Division also participates in the interdepartmental predevelopment process intended to facilitate the review and approval stages of the development process. The Building and Safety Division Program continues to lead in implementing the City's records retention and storage program to maintain current and historical property records. Building permit fees pay for the cost of the Building and Safety Division's operations.

GOALS AND OBJECTIVES

- Implement a new software packages to provide inspection scheduling and improving the electronic plan submittal process.
- Streamline existing processes and develop standard performance targets for the plan check program.

Housing Program Services

PURPOSE

The Housing Program Services Division function is to create, maintain and sustain affordable housing opportunities in the community, primarily for persons of low and moderate income as well as other at risk or vulnerable populations such as the elderly, disabled and the homeless. The program is funded out of United States Department of Housing and Urban Development (HUD) entitlement grants. The program receives no subsidy from the General Fund. The principal funds include: Fund 254 Stanislaus County-LEAD-Housing Consortium, Fund 255 Community Development Block Grants, Fund 257 State HOME Grant, Fund 260 Permanent Local Housing Allocation (PLHA) and Fund 256 HOME Consortium. This budget also includes one time special HUD entitlement funds related to both COVID Cares Act as well as the American Recovery Act. The Housing program is guided by the City Housing Element of the General Plan, as well as the Consolidated Plan and Annual Action Plans required by HUD. The Division has a staff of four full time positions and is managed by the Development Services Director.

PROGRAMS

The Housing Program Services Division seeks out grants and other opportunities to develop, rehabilitate or provide loans for the production of low and moderate income housing in our community. Specifically, this production of affordable housing units is achieved by assisting families in rehabilitating their homes or rental units through low interest loans, providing down payment assistance to First Time Home Buyers as well as developing new housing units through community collaborations. Through programs such as the Community Development Block Grants program, the Housing Program also provides assistance for public improvements such as curbs, gutters and sidewalks in low-to-moderate income neighborhoods, public service programs for eligible non-profits and agencies, which provide services to individuals who are low-to-moderate income and fair housing services. The City of Turlock will serve as a partner with Stanislaus County for the 2023-2024 HOME Consortium Investment Partnership Program. The City of Turlock will continue as the responsible entity for any prior funding held under the City of Turlock/Stanislaus County HOME Consortium. The members of the Consortium include the cities of Turlock, Ceres, Riverbank, Hughson, Newman, Oakdale, Patterson, Waterford and the County of Stanislaus unincorporated areas.

GOALS AND OBJECTIVES

The goals for the Division revolve around the needs of the community as set forth in the City of Turlock Consolidated Plan. The Division also works to maintain and increase housing stock as outlined in the City's Housing element. For Fiscal Year 2023-2024 the goals and objectives of the Division will strive to meet the community needs by providing:

CITY OF TURLOCK BUDGET FY 22-23

Fund 625 - Successor Agency - LMI

PURPOSE

The Turlock former Redevelopment Agency was first activated in 1993 and amended in 1996. The total area covered just over 4,300 acres in the City of Turlock. The Agency's primary mission was to eliminate blight within the designated project area as well as promote economic development, help provide essential public facilities, and reconstruct and rehabilitate blighted properties. The general goals and objectives of the Agency were set forth in the Agency's Five-year Implementation Plan.

The City of Turlock serves and the Housing Successor Agency for the Low and Moderate Housing Set Aside (LMI) portion of the former Redevelopment Agency. Funds 621 and 625 reflect the changes necessary with the implementation of a series of enacted legislation which winds down the operations and obligations of the former Redevelopment Agency.

While tax increment revenue has ceased to be revenue to this account, Housing still receives payments and pay offs from loans made from these funds during the life of the Agency. Funds coming into this account are used to pay for the Senior Mobile Home Park rent subsidy program as well as the development of new affordable Housing. Funds most recently have been used to provide upfront capital for the construction of the Avena Bella Phase 2 projects with 60 new units of affordable housing as well as funding a six month pilot program for the operation of a day use navigation center for those experiencing homelessness.

The Division is responsible for the operation and maintenance of sewer line and lift stations, laboratory operations, waste water, storm water and environmental compliance. The Water Quality Control Division is also charged with the collection of storm water and the maintenance of all storm water infrastructure.

PROGRAMS

The Water Quality Control Division is organized into a number of program areas:

- **Wastewater Treatment Facility:** Operates and maintains a facility that processes an average of 11 million gallons of wastewater per day.
- **Wastewater Collection:** Operates, maintains and repairs the wastewater collection system including sewer mains, laterals, manholes and pump stations; responds to customer complaints; performs regular and systematic rodding, hydrocleaning and televising of sewer mains.
- **Laboratory:** Analyzes untreated and treated wastewater, determines chemical, physical and bacteriological characteristics of treated and untreated wastewater, evaluates treatment effectiveness, maintains records and prepares reports. The laboratory also undertakes testing and analysis for the City of Turlock's drinking water system.
- **Environmental Compliance:** Implements the City's industrial pretreatment program, including monitoring and reporting of 29 permitted non-domestic dischargers (including 18 major industries), performs grease interceptor and sand and oil trap inspections, enforces sanitary sewer and storm water regulations and coordinates a safety program.
- **Storm System Maintenance:** Maintains the City's storm drain system and coordinates emergency response during storms.

CITY OF TURLOCK BUDGET FY 23-24

Fund 410 Water Quality Control

BUDGET HIGHLIGHTS

The budget year reflects a continuation of the development of specific Capital Improvement Projects for Water Quality Control, sanitary sewerage and storm water systems. Most of these projects are funded from reserves, reflecting the City's policy of setting aside revenues to replace equipment and infrastructure that exceeds its useful life. Additionally, the capital projects typically result from increasingly stringent regulatory requirements.

CITY OF TURLOCK BUDGET FY 23-24

Fund 413 Water Quality Control Capital Expansion Reserve

PURPOSE

The Water Quality Control Capital Expansion Reserve is used to construct capital wastewater and storm water projects necessitated by new growth and development. The City of Turlock collects development impact fees to add capacity to the wastewater and storm water systems as new growth and development occurs, and to ensure that growth pays its own way without subsidies from existing customers.

PROGRAMS

To mitigate the impacts of growth on the City of Turlock's wastewater and storm water infrastructure, capital improvements are programmed to do the following:

- Ensure that new growth and development does not create deficiencies in the City's critical wastewater and storm water systems.
- Invest prudently in critical infrastructure improvements that will improve system capacity.
- Prepare strategic infrastructure and investment plans to effectively plan for growth and development with an appropriate financing strategy.
- Ensure the City of Turlock Wastewater Treatment Facility remains a state of the art operation. Comply with the provisions RWQCB'S Waste Discharge Requirements for the City of Turlock's Control Facility.

BUDGET HIGHLIGHTS

- No expansion project are planned for the upcoming FY

CITY OF TURLOCK BUDGET FY 23-24

Fund 416 Recycle Water Sales

PURPOSE

This fund provides the funding for recycled water projects, primarily the Turlock component of the North Valley Regional Recycled Water Project (NVRWP) through the sale of recycled water. The NVRWP is a partnership between the cities of Turlock and Modesto who take their treated recycled water and send it to the Del Puerto Water District via the Delta Mendota Canal. The District, in turn, distribute that water to agricultural customers in its service area. The Del Puerto Water District was responsible for all costs associated with construction and operation of the program. The project constructed a pipeline to convey recycled water by gravity from the City of Turlock's Harding Drain Bypass Pipeline to a pump station at the City of Modesto's Water Quality Control Facility on Jennings Road, where it combines with recycled water from Modesto for conveyance to the Delta Mendota Canal. The Turlock Component of the North Valley Project involved 37,800 linear feet (seven miles) of 36-inch diameter pipeline.

GOALS AND OBJECTIVES

- Ensure Turlock's disinfected tertiary-treated wastewater "recycled water" is used in a beneficial manner.
- Develop a stream of revenue from recycled water sales to construct, operate, and maintain capital infrastructure for the treatment and conveyance of recycled water.

BUDGET HIGHLIGHTS

- While this project has been completed, maintenance is required for air relief valves, cathodic protection units, special valves and the Supervisory Control and Data Acquisition (SCADA) system.

CITY OF TURLOCK BUDGET FY 23-24

Fund 420 Water Enterprise

PURPOSE

The City of Turlock operates its own water utility that is responsible for the provision of an adequate and reliable supply of potable water to approximately 20,000 residential, commercial and industrial accounts. All water is monitored to ensure compliance with stringent health standards established by the State Division of Drinking Water (DDW). The water utility is also responsible for ensuring adequate fire flows and pressures for fire suppression purposes. In December 2017, City Council adopted a series of rate increases that ended in January 2022.

PROGRAMS

The Utility Division is organized in to a number of program areas:

- **Water Production:** Operates and maintains the City's drinking water well system which produced 6.456 billion gallons of potable water in 2021 from 18 active groundwater wells.
- **Water Distribution:** Operates, maintains and repairs the City's drinking water distribution system which includes approximately 265 miles of water lines, three one-million gallon water storage tanks, and nearly 19,000 water meters.
- **Water Conservation:** Ensures prudent and responsible water use.
- **Capital Improvements:** Coordinates maintenance and upgrades to City's water production and distribution infrastructure.
- **Drinking Water Quality & Safety:** Protect the City's drinking water supply through development and sampling standards for new construction and the implementation of a backflow prevention program.

GOALS AND OBJECTIVES

- Protect the public health by providing an adequate and reliable supply of safe drinking water that meets or exceeds the minimum standards established by the State Division of Drinking Water (DDW).
- Operate and maintain the City of Turlock's water utility in a reliable, safe, productive, and cost-efficient manner. Provide excellent customer service.
- Protect the quality and quantity of the City's drinking water supply, including the construction of new wells and continued evaluation of water storage opportunities to improve system pressure.
- Cooperate in regional efforts to manage the groundwater basin, including the completion of a groundwater management plan, and the development of an Integrated Regional Water Management Plan.

CITY OF TURLOCK BUDGET FY 23-24

CITY OF TURLOCK BUDGET FY 23-24

Fund 422 Well Remediation

PURPOSE

Well Remediation is to withdraw groundwater or inject water, air or other solutions into the subsurface for the purpose of remediating, cleaning up, or controlling potential or actual groundwater contamination.

GOALS AND OBJECTIVES

Plan to improve the quality of the waters of the state that have been directly and adversely impacted. Take action to:

- Clean up, remove, remediate, contain, treat, monitor, assess, evaluate, or in any way address Hazardous Materials in the indoor or outdoor environment
- Prevent or minimize a release or threatened release of Hazardous Materials so they do not migrate or endanger or threaten to endanger public health or welfare or the indoor or outdoor environment
- Restore or reclaim natural resources or the environment
- Perform any pre-remedial studies, investigations, or post-remedial operation and maintenance activities, or
- Conduct any other actions with respect to Hazardous Materials required by Environmental Laws

BUDGET HIGHLIGHTS

Emergency improvements or repairs to existing water systems as necessary to provide an adequate supply of domestic water. Improvements or repairs will typically only be funded if shown to be a more cost-effective interim solution than provision of interim alternate water supplies. Eligible improvements or repairs include but are not limited to:

- Well rehabilitation or replacement
- Emergency interties, extension of service, or consolidation projects
- Treatment Systems
- Rented, borrowed or purchased equipment
- Design, installation and initial startup costs of approximately \$1.5 million

CITY OF TURLOCK BUDGET FY 23-24

Fund 450 SRWA

PURPOSE

The Stanislaus Regional Water Authority (SRWA) Division is responsible for the operation and maintenance of the SRWA Water Treatment Plant (WTP) providing potable drinking water for the City of Turlock and the City of Ceres. The WTP uses a conventional treatment process using ozone as a primary disinfectant with sodium hypochlorite as the secondary disinfectant. The WTP treatment processes are designed and monitored with stringent health standards to ensure compliance with the water quality standards established by the California State Water Resources Control Board.

PROGRAMS

The Stanislaus Regional Water Authority Division is organized into a number of program areas:

- **Water Treatment Facility:** Operates and maintains a facility that processes an average of 11 million gallons of surface water per day.
- **Distribution Lines:** Operates and maintains the distribution system; supplying treated surface water to the City of Turlock and City of Ceres as requested.
- **Process Laboratory:** Analyzes untreated and treated water, evaluates treatment effectiveness to determine proper chemical treatment process.
- **Administration:** Directs, supervises and plans operation of the SRWA WTP, prepares studies and reports, oversees budget and maintains the City of Turlock and City of Ceres distribution system.
- **Drinking Water Quality & Safety:** Protect the drinking water supply through development and sampling standards.
- **Capital Improvements:** Coordinate maintenance and upgrades to SRWA's distribution and treatment infrastructure.

GOALS AND OBJECTIVES

- Protect the quality and quantity of the City's drinking water supply, protecting public health by maintaining the WTP's water treatment processes by ensuring that all treated water delivered from the SRWA meets or exceeds State and Federal requirements.
- Operate and maintain the SRWA WTP's Facility in a reliable, safe, productive, and cost-efficient manner. Provide excellent customer service.
- Ensure that all treatment facilities are operated effectively and efficiently.
- Maintain an effective and coordinated preventative maintenance program for all WTP process.

CITY OF TURLOCK BUDGET FY 23-24

Fund 450 SRWA

GOALS AND OBJECTIVES (cont.)

- Maintain dialogue with the State Water Resources Control Board for the Stanislaus Regional Water Authority Facility.
- Provide adequate training opportunities to remain abreast of technical, mechanical, safety and analytical improvements in the wastewater treatment and collection industry.
- Respond to emergencies.

BUDGET HIGHLIGHTS

The budget year reflects a continuation of the development of specific Capital Improvement Projects for Stanislaus Regional Water Authority Water Treatment Plant and distribution systems. Most of these projects are funded from reserves, reflecting the City's policy of setting aside revenues to replace equipment and infrastructure that exceeds its useful life. Additionally, the capital projects typically result from increasingly stringent regulatory requirements.

GLOSSARY OF BUDGET TERMS FISCAL YEAR 2023-2024

The following glossary provides a brief explanation of terms and acronyms used throughout the Budget document. This information is provided to assist the public in reviewing and understanding the Budget by defining the many technical terms, abbreviations, and acronyms used in presenting budget information.

ACCOUNT

A record of a monetary transaction maintained in the accounting ledger. It may be a classification of expenditure or revenue. Example: "Supplies" is an account in the Operations and Maintenance expenditure category.

ACCRUAL BASIS OF ACCOUNTING

The basis of accounting under which revenues are recorded when earned and expenditures (or expenses) are recorded as soon as they result in liabilities (obligation to pay) for goods and/or services received. The actual receipt (for revenues) or payment (for expenditures) of cash is not the determining factor when deciding on the proper accounting period for recording revenues and expenditures under the accrual basis of accounting.

ACTUAL

A column heading in the budget. Figures found in the Actual column indicate actual financial information recorded for that time period.

AMERICANS WITH DISABILITIES ACT (ADA)

Americans with Disabilities Act, Public Law 336 of the 101st Congress, enacted July 26, 1990. The ADA prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation. It also mandates the establishment of TDD/telephone relay services.

ADOPTED BUDGET

The budget document formally approved by the City Council after the required public hearing and deliberations on the City Manager's Budget. It sets forth authorized expenditures and the means of financing those expenditures for a given fiscal year. This term is used interchangeably with the term "Final Budget."

AD VALOREM TAXES

Revenue from taxes paid on real property and personal property which is calculated based on the "value" of the property.

APPROPRIATION

The legal spending level authorized by an ordinance, resolution, or minute action of the City Council. Spending cannot legally exceed this level without approval by the Council. An appropriation expires at the end of the fiscal year.

ARPA (American Rescue Plan Act)

The American Rescue Plan, signed into law on March 2021, provides \$350 billion in funding for state and local governments to build an equitable economic recovery from the devastating economic effects caused by the COVID-19 pandemic.

ASSESSED VALUATION

A valuation set upon real estate or other property by the County Assessor or State Board of Equalization which serves as a basis for levying property taxes.

GLOSSARY OF BUDGET TERMS FISCAL YEAR 2023-2024 (Continued)

AUDIT

An examination of the City's financial records by an independent, certified public accounting firm to determine the accuracy and validity of records and reports, and the conformity of procedures with established policy and GAAP.

BALANCED BUDGET

A balanced budget requires that the amount of budgeted expenditures be equal to or less than the amount of projected revenues for the budget year.

BAN (Bond Anticipation Notes)

A short-term debt instrument issued by a state or municipality to borrow against the proceeds of an upcoming bond issue.

BASIS OF ACCOUNTING

A term used to refer to when revenues, expenditures (expenses), and transfers – and the related assets and liabilities – are recognized in the accounts and reported in the financial statements. The City of Turlock uses the accrual basis of accounting. See Accrual Basis.

BEGINNING BALANCE

The beginning balance of a fund is comprised of unspent funds brought forward from the previous fiscal year, i.e. the ending balance for the fiscal year just ended.

BIDS, BIDDING

A process whereby a public agency awards contracts for construction or construction-related work objectively, based on bids. Bids are offers to perform the work for a specific price, with the contract going to the lowest responsive bidder. See Responsive Bidder.

Bonds are most frequently used for construction of large capital projects, such as buildings and streets. Also, the term bond is used to describe a performance bond whereby an independent, third party financially guarantees the actions or performance of another.

The City of Turlock budgetary control begins at the department level. Departments can reallocate spending within an Object (i.e. Supplies or Utilities) with the exception of Personnel and Capital Outlay. The total expenditures for that Object cannot be increased without the approval of the City Manager or City Council. Any reallocations between Objects must be approved by the City Manager. Only the City Council can approve increases in the total appropriation for a Department.

BUDGETING BASIS

The budgeting basis for the City of Turlock is modified from the accrual basis in that depreciation expense is not shown in the budget, capital expenditures are shown as a use of resources (rather than an asset), and principal payments on debt are shown as a use of resources (rather than a reduction in a liability).

CASH BASIS OF ACCOUNTING

The contents of an EIR are discussed in Article 9, beginning with Section 15120 of the State CEQA Guidelines.

The City prepares its financial statements in accordance with GAAP accepted in the United States of America.

The City of Turlock also uses interfund transfers when a capital project is being funded from multiple sources. The project expenditures are accounted for in one fund and with the contributing funds transferring their financial contribution to the project fund.

GLOSSARY OF BUDGET TERMS FISCAL YEAR 2023-2024 (Continued)

REQUEST FOR PROPOSALS (RFP)

Request for Proposals, similar to a bid but used when the desired product or service is not fully quantifiable, such as "Audit Services".

REQUEST FOR QUALIFICATIONS (RFQ)

Request for Qualifications is a process whereby professional services are solicited, where the products or services needed require substantial assistance to define. The qualifications and experience of the solicited professional are important qualifying characteristics.

SALES AND USE TAX

A tax imposed on the sale or use of all tangible personal property. Sales and use taxes have several components. The City's share of the sales and use tax is 95% of the local 1%. The remaining 5% of the local 1% is shared with Stanislaus County pursuant to a tax sharing agreement.

SELF-INSURED

Insurance of one's interest by maintaining a fund (source of money) to cover possible losses rather than purchasing a commercial insurance policy. For self-insured plans, the employer assumes the financial risk of providing benefits. This means that the employer pays "out-of pocket" for expenses incurred up to the retained (deductible) amount. The employer then purchases commercial insurance to cover expenses over the deductible.

SINGLE AUDIT

An audit performed in accordance with the Single Audit Act of 1984, as amended in 1996, and United States Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments. Effective December 2014 the OMB's Single Audit guidance was updated with the implementation of *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* – more commonly referred to as "Uniform Guidance". The Single Audit Act requires governments that incur expenses in excess of a specified amount for federally funded projects/programs in one fiscal year have one audit (i.e. Single Audit) performed to meet the needs of all Federal grantor agencies, thus reducing the overall costs of audits. This audit seeks to determine whether the recipient agency is in compliance with all internal control and other program guidelines which are conditions for receiving federal funding.

SPECIAL REVENUE FUND

SRF (State Revolving Fund)

A state revolving fund (SRF) is a fund administered by a U.S. State for the purpose of providing low-interest loans for investments in water and sanitation infrastructure (e.g., sewage, treatment, stormwater management facilities, drinking water treatment). An SRF receives its initial capital from federal grants and state contributions. It then emits bonds that are guaranteed by the initial capital. It then "revolves" through the repayment of principal and the payment of interest on outstanding loans.

SUBVENTION

Payments by an outside agency (usually a State or federal agency) for reimbursement of costs incurred by the City.

SUPPLEMENTAL ASSESSMENT

An assessment of real property occurring after the regular assessment roll is filed on June 30th of each year as a result of new construction or a change in ownership.

GLOSSARY OF BUDGET TERMS FISCAL YEAR 2023-2024 (Continued)

TAX INCREMENT

Tax increment is the funding mechanism for Redevelopment Agencies in California. When Agencies provide or assist in providing financial assistance to improve blighted areas of a city, the associated assessed value of the improved real property increases. This "incremental" increase in assessed value results in an increase in property tax revenue which is known as "tax increment". Tax increment revenue must remain in the Redevelopment Agency to be used for repaying any debt incurred by the Agency and for additional approved projects. The use of tax increment revenue by Redevelopment Agencies is governed by the California Health and Safety Code.

See "Revenue Projections and Assumptions" section for a discussion regarding the dissolution of redevelopment agencies within California effective February 1, 2012.

TRANSIENT OCCUPANCY TAX (TOT)

A tax that is imposed on occupants of hotel/motel rooms who are staying 30 consecutive days or less at a time. The City of Turlock TOT rate is 9% of the room rate.
