WHEREAS, on October 13, 2013, the City Council continued the fee deferral program for commercial and industrial development for an additional 24 months; and

WHEREAS, currently there is no adopted residential impact fee deferral program; and

WHEREAS, the state of the economy has shown improvement but continues to impact the development communities ability to build and improve the city; and

WHEREAS, stimulating the economy through job creation is in the best interest of the city to enhance revenue through fee collection as well as increasing the city's tax base; and

WHEREAS, the deferral of impact fees would enhance the residential developers cash flow through postponing fee payments to occupancy or close of escrow; and

WHEREAS, forgiving fees to stimulate the economy would be detrimental to health and financial viability of the city's various City-wide and Master/Specific Plan fee programs. However, fee deferrals to stimulate the economy could be given without risking the health and financial viability of the city's various City-wide and Master/Specific Plan fee programs; and

WHEREAS, the developer shall enter into a lien agreement with the city detailing the fee deferral amount and schedule of payment; and

WHEREAS, the deferral of Turlock Unified School District and Stanislaus County impact fees will only occur following their respective boards approval; and

WHEREAS, the Council authorizes the City Manager or Mayor to execute the standard agreement for deferral of residential development impact fees (Attachment "A") and the standard assignment agreement (Attachment "B") at his/her discretion.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Turlock adopts a residential fee deferral program for deferral of all Turlock Unified School District, County of Stanislaus (once approved by their respective legislative bodies), and City of Turlock City-wide and Master/Specific Plan Impact Fees (Attachment "C") to Occupancy or Close of Escrow; approving a standard agreement for deferral of residential development impact fees; and authorizing the City Manager or Mayor to execute said agreements.

City of Turlock Impact Fees \$ _____
Total Deferral Amount \$ _____

IT IS MUTUALLY AGREED AS FOLLOWS:

1. PROPERTY AFFECTED

The PROPERTY OWNER holds fee title to the Property Affected and legally described on Exhibit A. The Property consists of one parcel/dwelling for which development impact fees have been deferred and which parcel/dwelling is encumbered by the outstanding fee balance indicated above until the parcel is released upon payment to the City (the "Property Affected").

2. RECORDATION

This Agreement shall be recorded in the office of the Stanislaus County Recorder and, from the date of recordation, pursuant to Government Code §66007(c)(2), shall constitute a lien for payment of the fees or charges set forth herein which shall be enforceable against successors in interest to the PROPERTY OWNER or lessee at the time of issuance of the building permit. This contract shall be recorded in the Grantor-Grantee Index in the name of the City of Turlock as Grantee and in the name of the PROPERTY OWNER as Grantor.

3. LIEN CREATED

In addition to the statutory lien created by paragraph 2, the PROPERTY OWNER hereby expressly grants to City a lien against the Property Affected. Said lien is intended to guarantee the payment in full, plus accrued interest, processing fees, and the cost of collection, if applicable, of the deferred development impact fees. Cost for recording said lien shall be paid for by PROPERTY OWNER.

4. TERM OF PAYMENT

The outstanding fee/lien balance, allocated to each parcel/dwelling listed above, shall be due and payable to City at close of escrow of each parcel/dwelling listed above, notwithstanding Turlock Municipal Code §§8-11-07 and 8-11-08 and pursuant to Government Code §66007(g).

5. OPENING OF ESCROW

The PROPERTY OWNER and any and all assignees or transferees as set forth in Paragraph 11, shall provide written escrow instructions to the escrow holder that the escrow holder shall provide 10 days' written notification to the City of Turlock, Development Services Building and Safety Division, subsequent to the opening of any escrow for the sale of the property for which a building permit was issued for the Property Affected and to provide in the escrow instructions that the fee or charge to be paid to the City imposing the same from the sale proceeds in escrow prior to disbursing proceeds to the seller.

6. INTEREST AND FEES

No interest or processing fee shall apply if the deferred impact fees are paid in full when they become due. However, should the deferred fees not be paid when due and payable, or should the PROPERTY OWNER be in breach of any provision of this Agreement: (a) interest shall accrue on all unpaid fees from the date of issuance of the initial building permit until the deferred fees and all accrued interest is paid; and (b) an additional One Thousand Dollars (\$1,000.00) shall be added to the unpaid amount to cover the initial administrative costs incurred in processing the fee deferral application. If assessed, interest shall be at the annual rate of interest which the City earns on its investment of pooled funds.

7. PRIORITY

The lien created hereunder shall have the same priority as property taxes.

8. RELEASE OF LIEN

Upon full payment of all deferred impact fees and accrued interest pursuant to paragraph 7, if applicable, to City and complete satisfaction of all terms and conditions of this Agreement by the PROPERTY OWNER, the City shall promptly release the lien created hereunder by executing a lien release in substantial form as shown in Exhibit C. Cost for recording said lien release shall be paid for by PROPERTY OWNER. This Agreement shall remain in full force and effect and continue as a lien on the Property Affected until the City of Turlock receives the full amount of the fees, which are the subject of this Agreement.

9. RELEASE OF CLAIMS

In consideration of the deferral herein granted by City, Undersigned hereby expressly waives and releases all claims and causes of action it now has or in the future may have against the City of Turlock, a municipal corporation (collectively, the "Released Parties") based on, or related directly or indirectly to capital facility fees charged by City for the project constructed on the property described on Exhibit A, including without limitation any and all claims that such fees are not reasonably related to the project's impacts or the cost of the services provided. To the extent of such waiver and release, Undersigned expressly waives its rights, if any, under California Civil Code Section 1542 which provides: "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

10. COLLECTION

The City may pursue collection through all available legal and administrative means including, but shall not be limited to, judicial or non-judicial foreclosure of the recorded lien against the Property Affected and/or civil judgment against the PROPERTY OWNER for breach of this Agreement. As part of the obligation secured hereby and in addition to the amount of the deferred fees stated above, there shall be included cost and reasonable expenses and fees, including reasonable attorneys' fees, incurred by the City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.

11. ASSIGNMENT

This Agreement shall not be assigned or otherwise transferred to a person or entity not a party to this Agreement without the express prior written consent of the City. City's written consent will not be unreasonably withheld. Assignment shall not be effective until the proposed assignee/transferee executes an assignment and assumption agreement, in a form acceptable to the City Attorney, assuming all duties and obligations of the PROPERTY OWNER under this Agreement. Any assignment or transfer not in strict compliance with this provision shall: (a) be null and void; (b) constitute a material breach of this Agreement; (c) cause all impact fees deferred under this Agreement to become due and immediately payable at the time of the attempted assignment or transfer; and (d) cause any and all building permits issued related to the Property to automatically terminate and become null and void.

15. WAIVER

In the event that either City or PROPERTY OWNER shall at any time or times waive any breach of this Agreement by the other, such waiver shall not constitute a waiver of any other or succeeding breach of this Agreement, whether of the same or any other covenant, condition or obligation. Waiver shall not be deemed effective until and unless signed by the waiving party.
