Council Homeless Subcommittees to Hold Joint Meeting

Business/Bathrooms and Housing ad hoc groups to vet immediate shelter options

Turlock City Council Homeless Ad Hoc subcommittees headed by Councilmember Becky Arellano and Councilmember Andrew Nosrati will hold a joint meeting on Wednesday, July 3, 2019 at 10:30 am in the City Council Chambers at City Hall. The meeting is open to the community.

The Council Ad hoc homeless committees on Business and Bathrooms and Housing will seek input and discuss immediate interventions and strategies relative to increasing temporary shelter options for people experiencing homelessness. Specifically, options include ideas such as a tent village, use of other buildings and options for increasing temporary shelter and the effects of these strategies on mitigating the impacts of homelessness on the business community.

Any recommendations coming out of this joint meeting will be placed on a future City Council agenda for their approval before implementation. The funding for any recommendation or strategy is proposed to be funded utilizing Homeless Emergency Aid Program funds (HEAP) from the State of California or other new funding streams from the State of California.
