As the owner of Countryside Tire and Brake Located across from property use in question. i would like to formally object to this permit for the following reasons:

- 1- Too close to other restaurants paying property taxes- fairness.
- 2- Traffic. There are going to be so many illegal u-turns it's going to be a safety issue.
- 3- Noise - Noise backing up to existing houses.
- 4- Sanitation

I would encourage this permit to be denied.
